

Accelerate Climate Action On Your Campus! B&D Offers Pro Bono Consulting Round II.

Last Fall, B&D partnered with [Second Nature](#) and [CustomerFirst Renewables](#) to offer Pro Bono Consulting through the Second Nature [Solutions Center](#) to accelerate campus climate action for colleges and universities within the Second Nature Network.

Due to the success of this program, we are excited to announce Round II!

This opportunity is exclusively open to [Climate Leadership Network](#) signatories and [University Climate Change Coalition \(UC3\)](#) members. Just as with the first round, this initiative provides pro bono support to campuses across North America (within the Second Nature network) in two areas 1) Climate Action Planning and/or 2) Shifting to Renewable Power. Eligible applicants can apply for either or both areas. Learn more [here](#).

How to apply

STEP ONE

We encourage you to first visit the Pro Bono Initiative Round II page on the Second Nature website which you can find [here](#). You will find all of the information you will need to know in order to apply, including [FAQs](#), the [application instructions](#), and [a downloadable and printable version](#) of the application for your respond planning purposes.
